

Stamp club

with Meg Loven

Would you like:

- Free product
- Free Inspiration Sheets
- Free Catalogs
- PLUS...
- A free technique class each month?

Then you might want to consider joining the monthly stamp club!

Stamp Clubs are beginning!

Stamp Club is a great Stampers Night Out. Some club members even point out that it's cheaper than therapy! We'll have a great time and laugh a lot. It's fun to get to know everyone better.

We will stamp **2 technique cards, a greeting card and a "WOW!" project every month.** We've already stamped silk scarves, altered clipboards, composition notebooks and a mini tag album--you won't want to miss any more cool projects!

Please **contact me if you are interested** in becoming a Stamp Club member, so that we can find a date and time that work for everyone. We're almost ready to begin a new club!

There is no fee to participate: As a Stamp Club member you place a \$19.95 minimum order each month, plus you receive hostess benefits.

Or join us any time as a **GUEST** and see how Club works! Guests can place a \$19.95 minimum order or pay a \$10 Supply Fee.

Contact me for information or to sign up for Stamp Club!!
